

# Ci2i (“see eye to eye”)

CMS Centre Web management tool

## Locations

| Centre    |   |
|-----------|---|
| <b>PK</b> | <b>CentreID</b>                                       |
| FK1       | Owner (Admin GroupID)<br>Country<br>City<br>Institute |

| Console   |                                      |
|-----------|--------------------------------------|
| <b>PK</b> | <b>ConsoleID</b>                     |
| FK2       | Owner (User GroupID)                 |
| FK1       | Location (CentreID)<br>Console label |

## People and Groups

| Group to people map |          |
|---------------------|----------|
| FK2                 | GroupID  |
| FK1                 | PersonID |

| Person    |  |
|-----------|--|
| <b>PK</b> | <b>PersonID</b>  |
|           | Last name<br>First name<br>Office phone<br>Mobile phone<br>Userid<br>Email address |

| Group     |  |
|-----------|--|
| <b>PK</b> | <b>GroupID</b>   |
| FK2       | Owner (GroupID of parent)  |
| FK1       | PersonID of responsible<br>Group name<br>Function<br>Email of group<br>Instant message address |

## Actions and permissions

| Action    |                                  |
|-----------|----------------------------------|
| <b>PK</b> | <b>ActionID</b>                  |
|           | Description<br>Action to execute |

| Group to Action map |          |
|---------------------|----------|
| FK1                 | GroupID  |
| FK2                 | ActionID |

## Hardware

| Computing Device |   |
|------------------|---|
| <b>PK</b>        | <b>IP name</b>  |
| FK1              | Location (ConsoleID)<br>Technical contact<br>Type of hardware<br>Dial up no. (e.g. VC unit) |

| Display   |                              |
|-----------|------------------------------|
| <b>PK</b> | <b>DisplayID</b>             |
| FK4       | Location (ConsoleID)         |
| FK1       | IP name of host              |
| FK2       | DisplayContentID (default)   |
| FK3       | DisplayContentID (current)   |
|           | Type<br>Pixels x<br>Pixels y |

## Display content

| Display Content |   |
|-----------------|---|
| <b>PK</b>       | <b>DisplayContentID</b>   |
| FK1             | Owner (GroupID)<br>Type (URL, TV, application)<br>Title<br>Description<br>URL or app location<br>Refresh time |

| TV Channel |   |
|------------|---|
| <b>PK</b>  | <b>ChannelID</b>                                      |
| FK2        | Owner (GroupID)                                       |
| FK1        | DisplayContentID of TV channel<br>Name<br>Description |

| Display Content to Channel map |   |
|--------------------------------|---|
| FK1                            | DisplayContentID                          |
| FK2                            | ChannelID<br>Duration<br>Order of showing |
